- Member of Alpha Chi Honors Society
- Member of Kappa Delta Pi Honors Society
- Member of Psi Chi Honors Society

### **Spring 2010 Goals:**

I want to obtain a 4.0 GPA this semester and enjoy my last softball season here at BC.

### **Career Aspirations:**

I want to be an effective teacher and a positive role model to young children. I believe that all children are capable of learning and it will be my responsibility to show them they can succeed.

### **Most Helpful at BC:**

All of my professors have been very helpful throughout my years at Bloomfield College. They truly care about whether you understand what they are teaching and offer extra help if you need it. My soccer and softball coach, Rocco Constantino, has also been very helpful to me during the four years that I have been playing sports here.

### **Words of Wisdom For Other BC Students:**

"Stand up, use your voice and speak out for what you want in life. Although it may not be easy don't lose yourself in your fears, because only you can decide your future."
