OVERNIGHT PROGRAM
STUDENT OVERNIGHT EXPECTATIONS

This form is necessary for any student staying overnight at Bloomfield College.

Student: Please complete all sections of this form and mail it back in the self addressed stamped envelope provided. In the event you forget to mail it, please have it with you when you arrive on campus. You will not be allowed to stay overnight without this form signed by a parent or guardian!

We are very pleased that you will be spending a night at Bloomfield College. This is an excellent opportunity for you to explore daily Bloomfield life. We hope you will take part in fun and safe activities while you are here. The following points should clarify what you should expect, as well as what we expect from you during your overnight stay.

• Have your forms signed and mail them in or have them with you at time of check in.
• Comply with all college, state, and federal rules including refraining from illegal or risky behavior (i.e. alcohol and drugs).
• Be responsible for bringing personal items (i.e. sleeping bag, pillow, toiletries, etc) related to your visit.
• Be responsible for being dropped off at the start of your stay and being picked up when the event has ended. (Free parking is available to students who drive themselves.)
• Get to know your host! Let your host know what you like and what you are looking to gain from your overnight experience. Ask questions!
• Respect your host’s personal property and time (especially sleep time). This also applies to any other student, staff, faculty or visitors whom you may encounter during your visit.
• Stay on campus! While being hosted, prospective students are not allowed to go off campus or in anyone’s car, with the exception of local businesses located in walking distance from the college (i.e. convenient store, deli, and other eateries).
• Anticipate exploring the campus and getting involved in all planned activities.
• Have fun and make the most of your time at Bloomfield College!

I am aware that although Bloomfield College has agreed to host me overnight, neither the Office of Admission nor any other office or personnel of Bloomfield College will be supervising me at all times during my stay on campus. Visiting students, like enrolled students, are responsible for their behavior as adults within the expectations described above.

I am also aware that participants in the Overnight Program are required to abide by New Jersey state law and the College’s code of conduct that governs students enrolled at Bloomfield College. I acknowledge that NJ law prohibits all use of illegal drugs and prohibits the drinking of alcoholic beverages by persons under 21 years of age.

Further, I understand that any inappropriate behavior during my campus stay will be considered by the Office of Admission and failure to comply with rules will result in dismissal from the Overnight Program.
